

AN EVENING WITH CECILIA MCGOUGH

**Monday, Feb. 25, 7:30pm - 8:30pm
in the Festival Ballroom**

Cecilia McGough is a mental health activist, writer, and radio astronomer who does not let having schizophrenia define her. She is the founder, chief executive officer (CEO), and board president of a nonprofit organization called Students With Schizophrenia. Cecilia is the vlogger for the I Am Not A Monster: Schizophrenia project, a TEDxPSU speaker that currently has nearly three million views on YouTube. She is a Special Books by Special Kids interviewee with over 12 million views on Facebook. Additionally, Cecilia is serving as a film script consultant on an upcoming Hollywood film depicting a character with schizophrenia. As an UNLEASH talent, she traveled to Denmark during August 2017 to promote the 2030 United Nations Sustainable Development Goals (SDGs).

Hosted by the Department of Health Sciences
